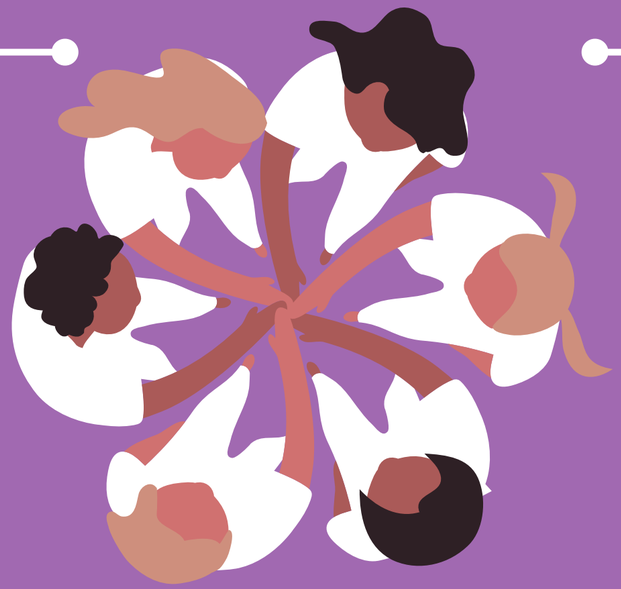
The way we work together

Agile values and principles

Remote collaboration



Open to learning

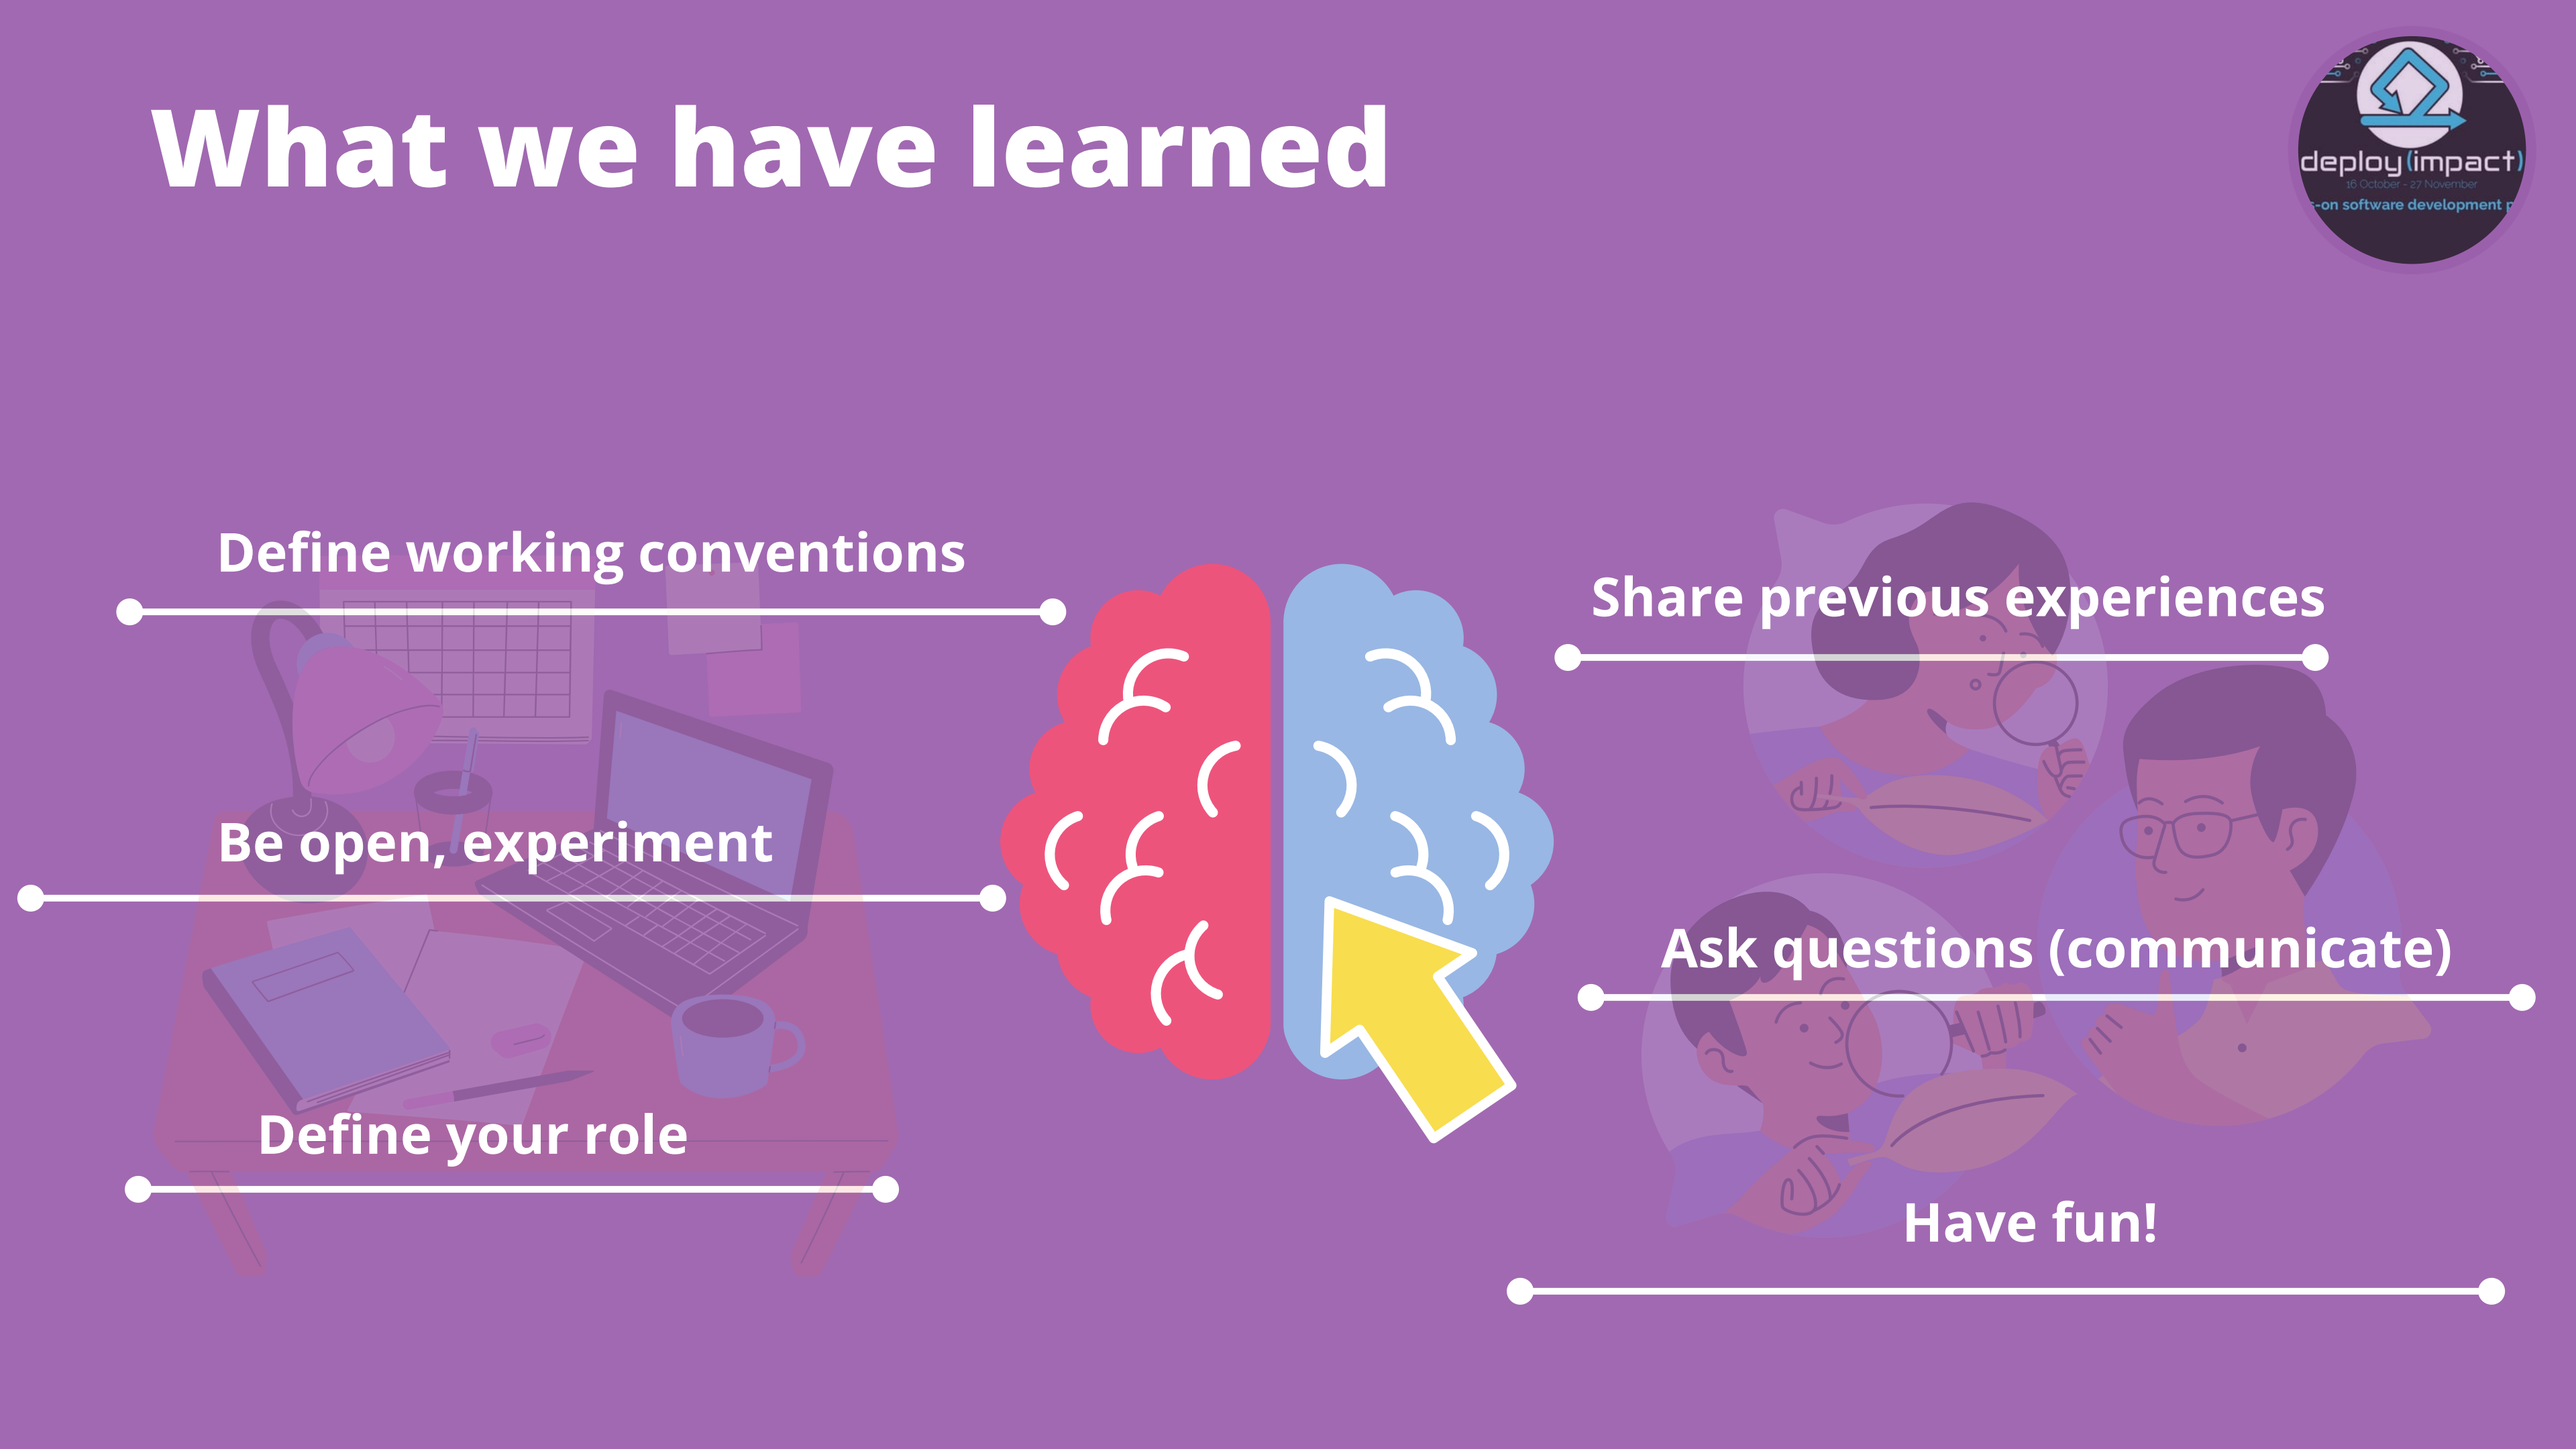
Open communication

Asynchronous work

Volunteering spirit

Video extract from our team meeting

What we have learned



Define working conventions

Be open, experiment

Define your role

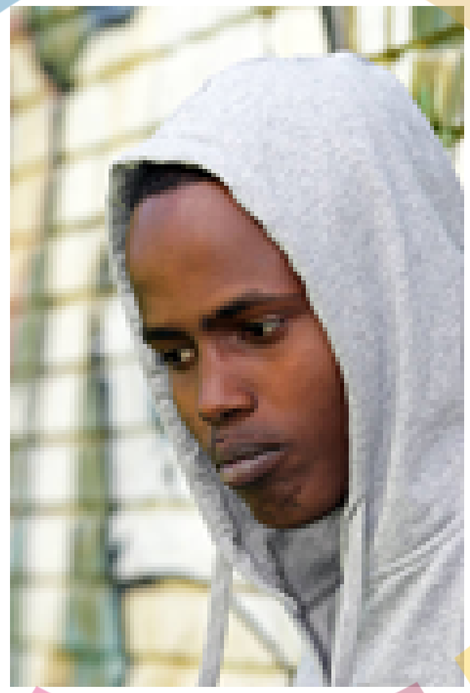
Share previous experiences

Ask questions (communicate)

Have fun!

Problem

Casho

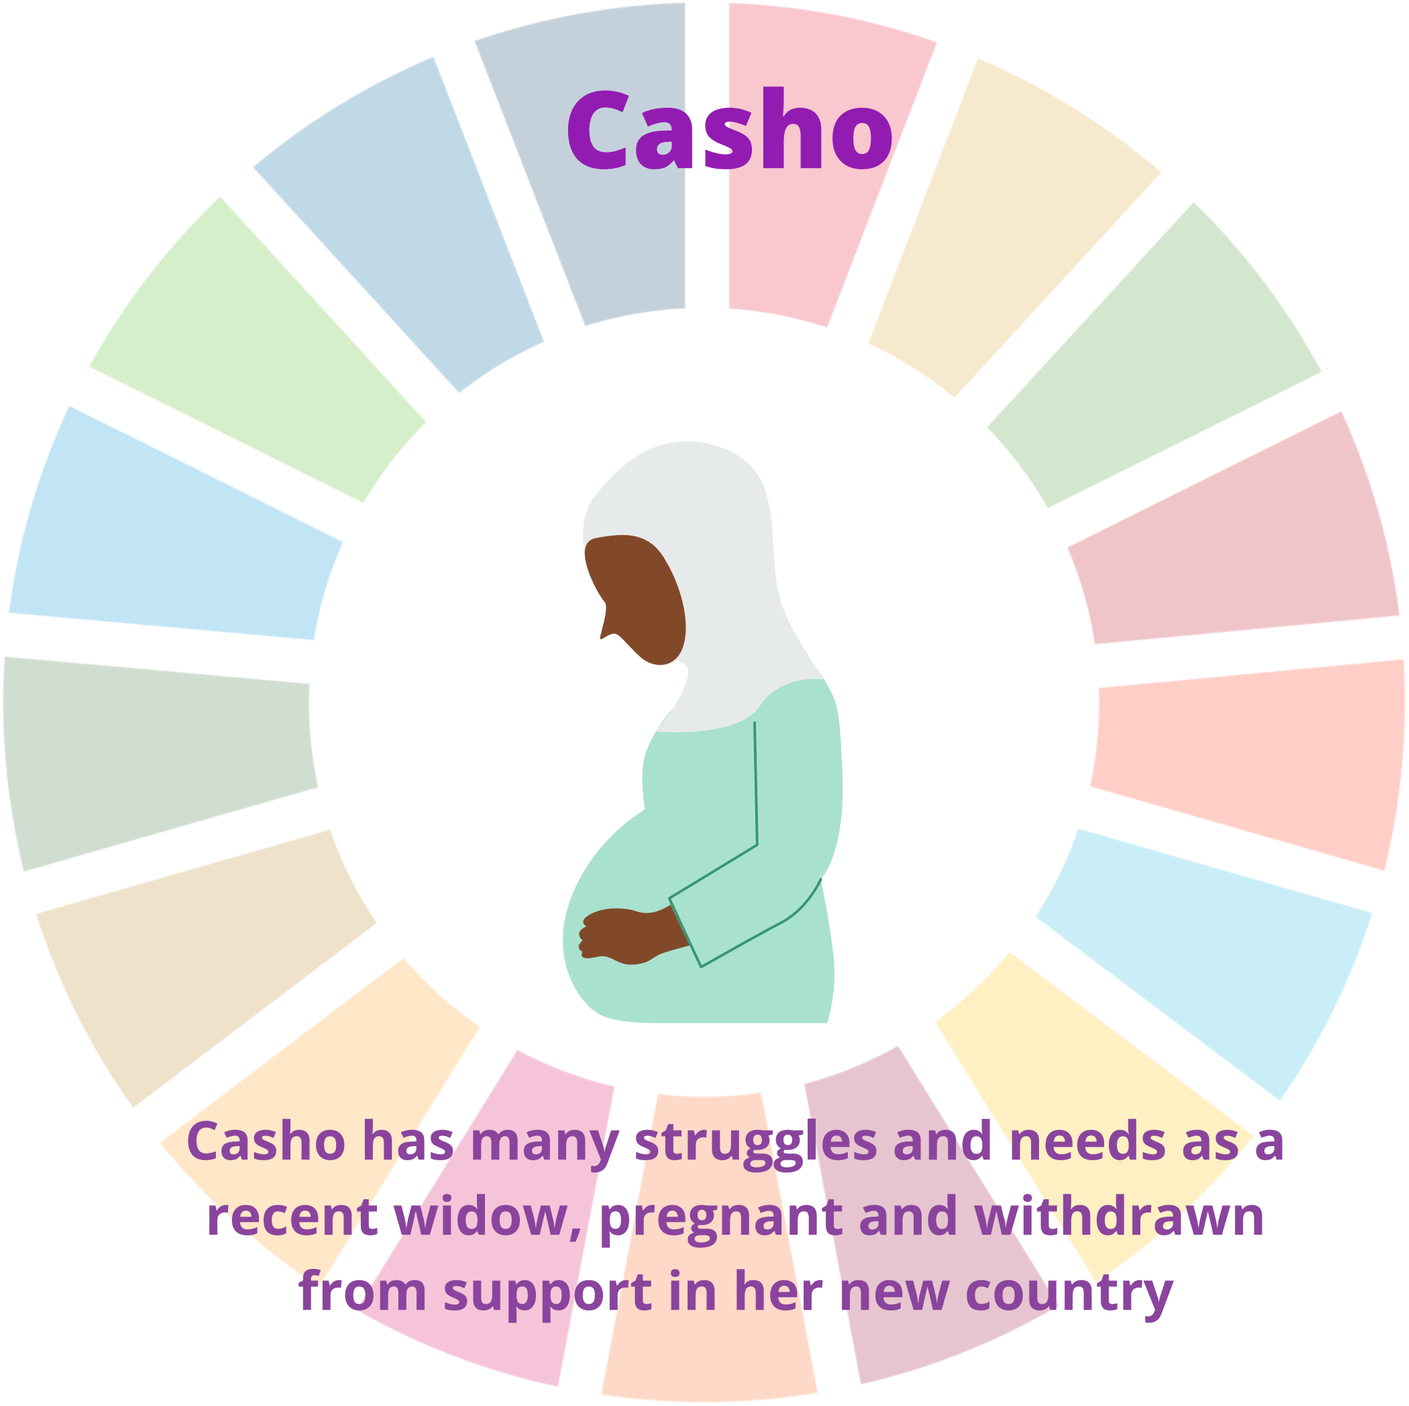


Lack of centralized search options

My problems are not understood

Quickly find support in crises/ trauma situations

Casho

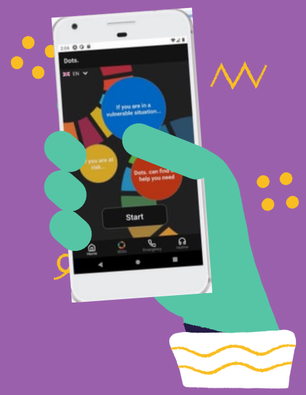


Casho has many struggles and needs as a recent widow, pregnant and withdrawn from support in her new country

Our solution

Personalized
support

Accessibility



Ready for production
and
easy to maintain

Friend

Casho

Demo

Outlook

- Language support across all app
- Data collection to a central location
- Administration Panel
- Include AI capabilities
- Self-registration of organisations
- Integration with other social apps

Let's catch up!
